30 Harrison St, Brooklyn
WELLINGTON

ATTENTION: To whom it may concern

Harrison St Retaining Works

Holmes Construction has been contracted by Wellington City Council to undertake civil works to install new retaining walls and improve the existing site at 30 Harrison St. These are the enabling works for an exciting new housing development.

Work is due to start on Monday 11 January 2021 and will take approximately four months to complete.

Holmes Construction are working closely with Wellington City Council to ensure that neighboring properties experience minimal disruption during these works. A traffic management plan has also been developed to ensure that there are no heavy truck movements on Harrison Street during school hours.

If you experience any issues or have any concerns, please don't hesitate to contact either party using the contact details below:
