## Island Bay Parade Safety Improvement and Upgrade

### What we're doing

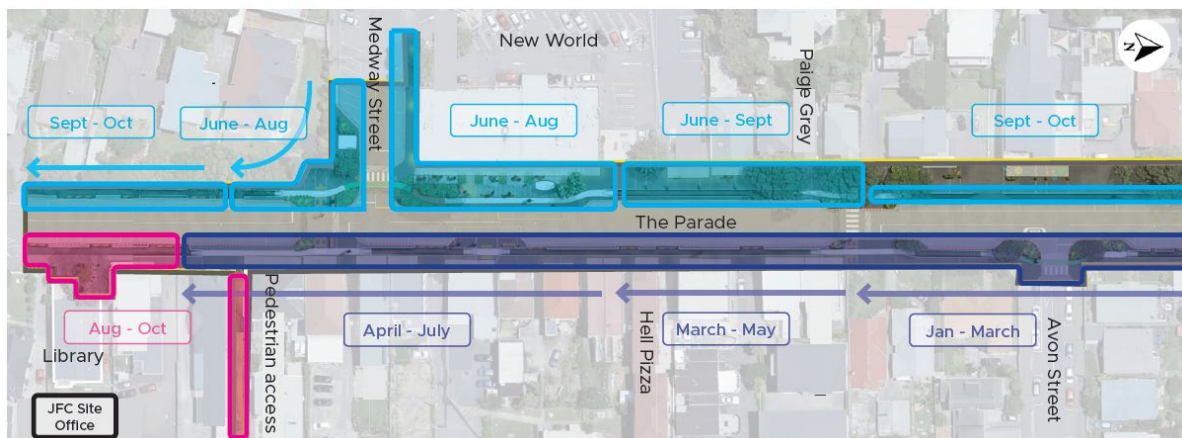

The project is on track and progressing well along The Parade. We have completed 80% of the underground stormwater upgrades on the eastern side of The Parade, two of three new tree pits have been installed, and the new cycleway has been built and footpaths upgraded between Avon Street and Unichem Island Bay Pharmacy.

We are currently working on driveway crossings, the new bus stop outside Unichem Pharmacy, stormwater upgrades, the new cycleway and footpaths between Unichem Pharmacy and Island Bay Medical Centre.

At the end of June, we plan to switch our worksite to the western side of The Parade. We will start streetscape upgrades around the Medway Street intersection and progress northwards towards Island Bay Childcare. Medway Street will remain open during these works and the Stop Go operation will continue along The Parade 7:00am – 4:00pm Monday – Friday. We will provide more details of this work closer to starting. See staging plan below for timeframes.

*Completed section near Avon Street*

We understand these works can be disruptive to businesses and residents. To minimise the disruption, we are:

- Undertaking the works in stages so we can maximise public parking and open areas once they have been completed. We have managed to keep parking on the western side of The Parade open while we work on the eastern side.
- Keeping directly affected businesses and residents informed of works nearby so they can plan for temporary changes. We have been working closely with these businesses and residents to accommodate their access needs while we are working nearby.

Our team will be working hard to complete this project on time, however dates may change due to factors such as wet weather and encountering unknown underground services while completing drainage upgrades.

## Get in touch

If you have any construction queries during the project, please contact JFC:

[IslandBayWLG@jfc ltd.co.nz](mailto:IslandBayWLG@jfc ltd.co.nz) or 021 420 600.

For all other queries about the project, please contact Wellington City Council:

[psd.islandbay@wcc.govt.nz](mailto:psd.islandbay@wcc.govt.nz) or 04 499 4444
