

Lombard Laneway Upgrade

UPDATE 1

8 June 2017

We are about to start the upgrade of Lombard Laneway!

This will mean some disruption but will improve the look and feel of the space.

Some work is weather dependant, which means if it is really cold or wet, we may sometimes have to alter what we do and when.

If you have any questions please get in touch with us on 04 499 4444 or UD.Lombard@wcc.govt.nz

➔ The works

In the coming weeks we'll start excavations in Lombard Street to upgrade stormwater and sewer pipes along with electrical services. We'll also start preparing Denton Park for a new lawn and seating area.

This work will start on 8 June 2017.

➔ Safety and access

Pedestrian access through Lombard Street will be closed from June to October to allow us to undertake this work safely. Access to the Lombard car parking building and surrounding local businesses will be maintained.

Diversion signage will be in place to redirect pedestrians to Manners, Victoria, Bond, and Cuba Streets. We will also be putting up temporary signs to assist in directing people to the businesses in the lane.
