

Lombard Laneway Upgrade

→ Stage 2 Nov - Apr 2017

UPDATE 10
16 March 2018

Works on Bond Street are continuing with paving, new LED lighting and planting beds still to come.

You can still get to the Lombard car parking building and surrounding businesses though diversions might be in place.

We depend on good weather so we might need to change what we do and when.

If you have any questions please get in touch with us on:

04 499 4444 or

→ What to expect over the coming weeks

- Paving on the south side of Bond St is nearly finished.
- Once the south side is paved, it will be open for pedestrian and vehicle traffic.
- The contractors will then move to the north side of Bond St beside West Plaza Hotel. They will start from the Cornhill St end and work up to Victoria St in stages.
- We've finished the key elements of the stormwater and sewer upgrades so we now have a more resilient underground network.
- Denton Park has more timber seating and there are a couple more seats on the way.

→ Keeping informed

Keep an eye out for updates on the Wellington City Council website: wellington.govt.nz/lombardlane and in display cases located around the site.
