

## Lombard Laneway Upgrade

→ Stage 1 June - Oct 2017

UPDATE 6  
09 Oct 2017

The upgrade is underway and Lombard Street is now open to pedestrians again!

You will still be able to get to the Lombard car parking building and surrounding businesses though there may be diversions in place.

Bond St works will start in mid October at the Cornhill St end.

We depend on good weather so we might need to change what we do and when.

If you have any questions please get in touch with us on:

**04 499 4444** or  
**UD.Lombard@wcc.govt.nz**

### → What to expect over the coming weeks

- We've done the major stormwater, sewer, and electrical upgrades in Lombard St
- We're paving at the north end of Lombard St and Denton Park, which means you can only get to the ground floor of Wilson Parking from Cornhill St
- The concrete walls for the raised lawn and seating area have been built and the seat backs and arm rests are on their way
- New trees and plants for Denton Park will be arriving soon and we'll be laying new grass on the raised lawn
- We've started planning the party to launch Stage 1

### → Keeping informed

Keep an eye out for updates on the Wellington City Council website: [wellington.govt.nz/lombardlane](http://wellington.govt.nz/lombardlane) and in display cases located around the site.
