

## Lombard Laneway Upgrade

→ Stage 2 Nov - Apr 2017

**UPDATE 8**  
21 Dec 2017

Works on Bond Street are now underway and Lombard Street is open!

You can still get to the Lombard car parking building and surrounding businesses though diversions might be in place.

Work has started in Bond St to upgrade underground services.

We depend on good weather so we might need to change what we do and when.

If you have any questions please get in touch with us on:

**04 499 4444** or  
**UD.Lombard@wcc.govt.nz**

### → What to expect over the coming weeks

- Main construction works will be on hold from 22 Dec 2017 returning on 8 January
- The site has been prepared for the Christmas close down period to enable safe pedestrian and vehicle flow
- Trenching & ducting for new electrical cable ducting will take place on 3 January and traffic management has been arranged for this day
- Completion of the stormwater upgrade in Bond Street will continue after 8 January with traffic management (stop/go) returning that week
- New seating, bins and bike stands have been installed
- We are holding off on planting the new garden beds until later in the year when cooler weather will be kinder to the new plants.

### → Keeping informed

Keep an eye out for updates on the Wellington City Council website: [wellington.govt.nz/lombardlane](http://wellington.govt.nz/lombardlane) and in display cases located around the site.
