

**Reference:** TR 03 – 15

**Location:** Helston Road - Paparangi

**Proposal:** No stopping, at all times

**Information:** Officers have received a petition from residents (96, 98, 100, and 102) who share a driveway on Helston Road. Helston Road is a long, busy road and is also a bus route.

This driveway is set back on a bend with no footpath either side. Different vehicles park at this location at different times of the day. Residents have experienced near misses on several occasions when exiting the driveway due to visibility being obstructed by the parked vehicles.

There are some available parking spaces on this section of road which are safer and more convenient.

Therefore, officers propose broken yellow lines on this bend to improve visibility and safety.
