

# PROPOSED TRAFFIC RESOLUTION

**Reference:** TR 39 – 15

**Location:** Adelaide Road - Berhampore

**Proposal:** No Stopping Line, At All Times

**Information:** Council Officers have received a request from a local resident to restrict parking outside the BP Service Station's exit on Adelaide Road.

Council officers have observed it is difficult for traffic to exit the BP service station due to the drivers' view being obstructed by vehicles parked adjacent to the exit on Adelaide Road. This exit driveway carries a considerable volume of left and right turning vehicles onto Adelaide Road and the sightline and visibility is less than desirable for a high volume driveway onto a Principal road.

It is proposed to install No Stopping Lines at all times additional to the current restriction, for 5 metres north of the exit to improve the visibility for traffic exiting the service station to Adelaide Road.

Net Parking loss: 1 parking space
