

Reference: TR 90 – 17

Location: Salamanca Road - Kelburn

Proposal: No stopping at all times

Information: It has brought to our attention that customers exiting the Kelburn Club carpark have limited visibility to moving vehicles on Salamanca Road, particularly, the sightline for traffic heading uphill to Kelburn Parade. Visibility is reduced due to the curvature of the road and parked vehicles south the carpark exit. Therefore, officers propose the removal of two P120 car spaces to improve the driver's sightline and public road safety.

Net parking loss: 2 parking spaces
