

**Reference:** TR 15 – 18

**Location:** Gloucester Street- Wilton

**Proposal:** No Stopping At All Times

**Information:** Go Wellington has requested No Stopping At All Times on two bends in Gloucester Street. The road is a bus route and vehicles park on both sides of the road. The buses have problems travelling the road when vehicles are parked on both sides of Gloucester Road as buses need more manoeuvring space around bends. Frequently buses on this road are unable to pass or are delayed. Officers, therefore, propose broken yellow lines on two bends (63.5m and 44.5m) to allow Go Wellington buses unhindered access on this stretch of road.

Net parking loss: 9 parking spaces
