

Reference: TR20-19

Location: Antico Street, Melrose

Proposal: No Stopping At All Times Parking Restriction

Information: Council officers have received concerns over vehicles parking in the cul-de-sac of Antico Street.

There is a shared access to three properties at the end of the cul-de-sac which runs parallel to the road to the east.

Site investigation has been undertaken to understand the concerns. It has been found that residents currently park their vehicles along the western edge of the cul-de-sac, restricting the access to several properties due to the turning circle restrictions created by cars parking here.

Council officers propose to install No Stopping At All Times parking restriction on the western side of the cul-de-sac, outside numbers 23 and 25 Antico Street.

Net parking loss: 3.

The proposed no stopping restrictions are shown on the attached plan.

PROPOSED TRAFFIC RESOLUTION

Key Dates:

- 1) Advertisement in the Dominion Post Newspaper. 26 February 2019
- 2) Feedback period closes. 15 March 2019
- 3) If no objections received, report sent to City Strategy Committee for approval. 18 April 2019
