Celebrate your wedding at Wellington Botanic Garden or Otari-Wilton's Bush

Choose from
Wellington's most romantic
outdoor venues.
We have a selection of
stunning gardens that you
can book for weddings.

Wellington Botanic Garden

One of New Zealand's oldest and most beautiful gardens is right in the heart of the capital. Wellington Botanic Garden is the most romantic and picture-perfect outdoor venue for your ceremony.

There are many settings to choose from. These are:

- **The Begonia House** – one of Wellington's most spectacular wedding venues (available from 5pm)
- **The Lady Norwood Rose Garden** – get married among thousands of fragrant blooms
- **The Peace Garden** – a magical setting next to a waterfall
- **The Dell** – our largest lawn, surrounded by lush bush and trees
- **The Duck Pond** – an intimate area with great photographic potential
- **Puriri and Linden lawns** – smaller lawns around beautiful trees near the Duck Pond
- **The Soundshell lawn** – a big lawn banked with blooms year-round
- **Remembrance Ridge** – a secluded tree-bordered setting

Please note
Power is only available at the Dell and Soundshell. These two venues are not available during January and February.

Otari-Wilton's Bush

Tucked away behind the green hills of the Wellington Town Belt, Otari Wilton's Bush is a unique haven of native trees, flowers and birds.

The Cockayne Lawn is available for ceremonies involving up to 100 people. Imagine your ceremony surrounded by a chorus of birdsong and native New Zealand forest.

Some things to think about when planning your ceremony:

- We strongly advise that you visit our gardens before choosing and booking a space.
- Consider the size of the gathering and the accessibility needs of your guests.
- Make an alternative arrangement just in case the weather is bad.
- You can have your wedding photos taken in the gardens, but you'll have to let us know first – there are often other special events taking place in the gardens on the same day.
- We do not provide furniture. If you want to bring along tables or seating, please discuss this when you book.
- Car parking is available at Otari Wilton's-Bush and the Lady Norwood Rose Garden. It is non-reservable. There's also street parking by the Botanic Garden on Glenmore Street. Vehicles are not allowed in any of the gardens.
