Dear Mr and Ms Loizou

**PROPOSED ROAD STOPPING – ADJOINING 30A SEATOUN HEIGHTS ROAD, SEATOUN**

Your adjoining neighbours, the landowners of 30A Seatoun Heights Road, have made an application to the Wellington City Council to purchase unformed legal road that adjoins their property. This process is called road stopping. The area of road land that is proposed to be stopped is shown highlighted in green on the attached plan. Please also find enclosed an information sheet on road stopping and road-stopping process timetable for your information.

Public notification of the stopping is carried out at Step 7 of the road-stopping process (please refer to the enclosed timetable) and is in keeping with the Tenth Schedule of the Local Government Act 1974. This will give you a chance to have your say, and object to the road stopping if you wish to do so.

*Report followed  
 dated 9 Nov  
 2011*

The purpose of this letter is to inform you of the application. Should your neighbours continue with the application, we will write to you again at the public notification stage.

If you require any further information, or have any concerns with regards to this matter, please do not hesitate to contact me.

Yours sincerely
