3.1 Considerations

When deciding whether up to three elected members should attend this conference, consideration should be given to:

- the cost; and
- the impact of attendance on the budget; and
- the other conferences elected members may wish to attend later in the financial year.

The total cost if three elected members are selected is expected to be \$2531.25 and will be met from the conference budget.

The impact on the budget of three elected members attending this conference is outlined in Table One.

Table One:
