

APPENDIX 1

PROPOSED DISTRICT PLAN VARIATION 4

AMENDMENTS TO PROPOSED DISTRICT PLAN CHANGE 43 (HERITAGE PROVISIONS)

District Plan Text – Volume 1

3.10 DEFINITIONS

“IDENTIFIED CONTRIBUTING BUILDING OR STRUCTURE”

In the text of the above definition change the word “Contributing” to “Non-Heritage” and delete items (b) and (c) so that the definition reads as follows:

“IDENTIFIED NON-HERITAGE BUILDING OR STRUCTURE means any building or structure identified as such in a heritage area”.

Rule 21B.3.1

In the main rule heading delete the words “identified contributing” in the first line and in the second line, after the word “area,” include the words “other than an identified non-heritage building or structure”.

Rule 21B.3.1 will therefore read as follows:

“The demolition or relocation of any building or structure within a heritage area, other than an identified non-heritage building or structure, is a Discretionary (Unrestricted) Activity”.
