

Moir St Residents

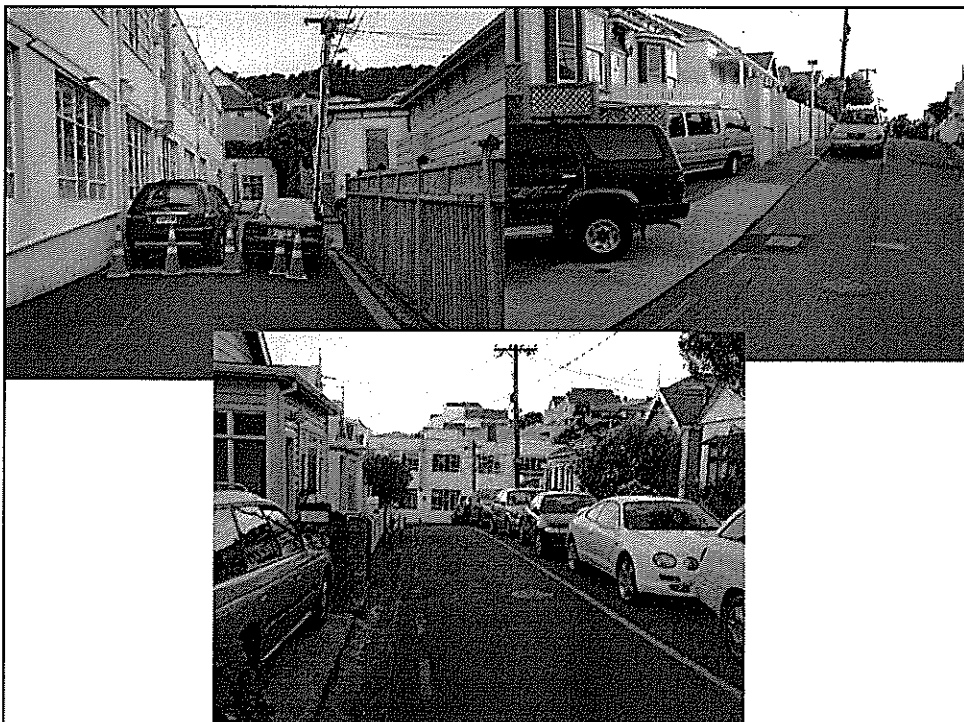

Submission on WCC Review of Residents Parking Scheme

On behalf of Moir St residents

Moir St:

- Narrow / single laned + cycle / ped route
- 19th century
- Adjacent to the city and many commercial users
- High parking pressure
- Conflict between cars and others
- Lot of families

Submission

- Strongly support residents parking scheme
- Generally support the proposed changes as per consultation
- However for Moir St:
 - Enforcement
 - Marking
- Generally - use of income:
 - \$1.7m profit from parking
 - Breakdown unclear however
 - Use of income / profit for local traffic calming works:
 - Speed limits
 - Intersection works
 - Cycle ways
 - Street trees etc
- If such works undertaken, then conditional support for increased parking fees
