

# Concept 1

Angled car parking spaces north of cinema unchanged.

Angled car parking arrangement similar to existing situation. This provides 13 parking spaces. Two spaces are relocated north of the town centre.

Pavement widened to facilitate pedestrian movement and create opportunities for outdoor sitting.

Parallel car parking spaces unchanged.

Slip road narrowed down.

Pedestrian crossing raised to signal priority of pedestrian movement over vehicular movement.

Exit from parking area reconfigured to signal priority of Park Road traffic over slip road. This will also make it possible to turn right onto Park Rd from the slip road.

One taxi stand relocated from western to eastern side of Park Rd.

Bus stops unchanged

Historic tram shelter unchanged.

Public toilets relocated elsewhere around the town centre.

Bill sticker structure relocated elsewhere around the town centre.
