A similar report has been prepared for the Tawa Community Board, recommending that they consider whether they wish to nominate up to three members to attend the 2006 New Zealand Community Boards' Forum. The Strategy and Policy committee will then consider the matter at its meeting on 25 May 2006.

4.1 Considerations

When deciding whether an elected member should attend this forum, consideration should be given to:

- the cost; and
- the impact of attendance on the budget; and
- the other conferences elected members may wish to attend later in the financial year.

The total cost if three community board members are sent is expected to be \$1500.00 and will be met from the elected members' conference budget. It should be noted that if the Tawa Community Board also wish to send three members to the Forum, the total cost for this event will be \$3,000, or around 9% of the annual budget. As such, it is proposed that up to three members from each board is an appropriate number of attendees.

The impact on the budget of three community board members attending this forum is outlined in Table One.

Table One

	2004/2005 Budget	Year to Date Expenditure	Unexpended Funds
Total budget for conference fees, accommodation and travel	\$34,000	\$0	\$34,000
Impact of sending three elected member to the forum	\$1500	\$1500	\$32,500

The cost of attendance is broken down as follows (per person):

Item	Cost
Registration	\$500.00
Total	\$500.00

4. Conclusion

A decision is required as to whether the Makara/Ohariu Community Board wishes to nominate up to three elected members to attend the New Zealand Community Boards' Forum in Lower Hutt, 14-15 July 2006.
