8 In your opinion, how could Wellington be a better place to live for young people?

Youth Council provides advice to Wellington City Council on what young people think about Council's plans for the city. It's important that Youth Council is able to hear a range of views from different communities of young people.

9 If you become a member of Youth Council, what communities could you represent?

Youth Council meets fortnightly on Wednesdays from 4:00pm to 5:30pm. It's important that members are able to make these time commitments, as well as complete research and meet up with colleagues in weeks when there are no formal meetings scheduled.

**10** Can you attend meetings on Wednesdays from 4:00pm to 5:30pm, and commit to being a member for one year (i.e., until mid-2019)?

Feel free to provide any further information you think would be helpful for us to know in the blank space below.
