COUNCIL CONTROLLED ORGANISATION PERFORMANCE SUBCOMMITTEE 12 MARCH 2012

REPORT 4 (1215/52/02IM)

COUNCIL CONTROLLED ORGANISATION TEAM FORWARD WORK PROGRAMME

1. Purpose of Report

This report is to provide the Subcommittee with a summary of the Forward Work Programme for the Council Controlled Organisations (CCO) team.

2. Recommendations

It is recommended that the Subcommittee:

- 1. Receive the information
- 2. Note any issues for the Chair to raise with the Strategy and Policy Committee
- *3.* Note any issues for the Chair to raise with the Council-Controlled Organisations team

3. Background

The CCO Team Forward Work Programme outlines key issues to be considered, and assists officers with planning by providing guidance as to the priorities of the CCO Performance Subcommittee (CCOPS).

The CCO Team Forward Programme is designed to assist CCOPS with fulfilling its responsibility for:

- Making recommendations to the Strategy and Policy Committee (SPC) regarding the approval of business plans, strategic plans and (where applicable) the adoption of Statements of Intent (SOIs);
- Monitoring Council's interests in its CCOs and Council Organisations (COs);
- Bringing to the attention of SPC any matters that it believes are of relevance to the Committee's consideration of the financial performance or the delivery of strategic outcomes of CCOs and COs; and
- Monitoring the performance of Council appointed board members on CCOs.

4. CCO Team Forward Work Programme

The CCO team's current priorities are:

- Assessing the draft Statements of Intent;
- Working with each CCO to ensure that any asset management or budget concerns are addressed as part of the Council's 2012 long term plan process;
- Undertaking a review of the format of reports to CCOPS and seeking feedback from CCOPS members as to how to further improve reporting to the Subcommittee from officers;
- Working on completing the reviews of CCO back office functions and the implementation of shared services for Wellington Waterfront Ltd (set for 1 April);
- Assisting the Working Party to evaluate the funding request from Karori Sanctuary Trust and assess options;
- Working on a paper discussing the proposed inclusion of Upper Hutt City Council and Porirua City Council as shareholders in Capacity;
- Working with Wellington Waterfront on issues arising around DPV 11, the Site 10 consultation process, and the Waterfront Development Plan;
- Assisting in finalising the leasing and community access agreements with Positively Wellington Venues;
- Assisting in the wind up of the St James Theatre Charitable Trust;
- Continuing to monitor the performance of Carter Observatory and City Gallery within Wellington Museums Trust, given lower than planned visitor numbers;
- Working with staff and trustees at the Basin Reserve to establish priorities for a future work programme with respect to the deferred maintenance issues at the Basin Reserve and address how the programme will be funded;
- Preliminary work on the June 2012 round of appointments for CCO directors and trustees;
- Working with the Grants team on the criteria and allocation of venue access subsidy funding;
- Working with the Procurement team and WCC's Energy Manager on potential CCO procurement opportunities;
- Potential work involved in the governance structure review and in suggested changes to Grow Wellington reporting; and
- Potential work that may involve whether the CCO team will play a role in the Regional Amenities fund if this goes ahead.

While each CCO has been asked to outline strategies for closer co-operation in marketing, promotion and public relations to better leverage the Council's overall investment in Wellington's visitor attractions, this work stream is still at an early stage. Specific projects will be evaluated as part of the 2012/13 Statement of Intent process.

5. Conclusion

The CCO Forward Work Programme is presented to the CCO Performance Subcommittee at each meeting. It is intended that, in addition to assisting the Subcommittee in raising strategic issues for discussion, the CCO Team Forward Work Programme will also support Council officers in programming and prioritising reports.
