### Wellington City District Plan

Clause 20(2) of the First Schedule, Resource Management Act 1991

Wellington City Council gives notice that District Plan Change 80 will become fully operative on **Wednesday 12 September 2018**.

District Plan Change 80 was made partially operative on 16 January 2017, excluding the residential height standard 5.6.2.5.4 (accessory buildings) which was under appeal. The appeal has since been resolved thus resulting in the amendment to this standard in addition to a new appendix being inserted into the Wellington City Council District Plan.
