We want to maintain and develop our iconic events – Hertz Sevens, NZ International Arts Festival, and the Brancott Estate World of WearableArt Awards Show – and to add at least one new iconic event by 2016.
1. Introduction
Wellington events are highly valued by Wellingtonians. Residents and ratepayers have told us that events are what makes Wellington great. Events generate economic benefits, attract, inspire and retain talent and give a sense of community belonging and a sense of place.

The arts and culture, sports, business and community sectors all organise events and rely on them for success both for themselves and for the broader community.

Major events are a key economic contributor, attracting visitors to the region and providing jobs. The less tangible benefits include improving social cohesion, growing a sense of community and helping to position the city and region through strong branding and communications.

Wellington City Council has a strong interest in ensuring the broad events sector thrives and this policy articulates the Council’s vision, role and plans for the events sector.

2. Vision
Wellington – the Events Capital of New Zealand

3. Objectives
- To build on our vision of Wellington 2040 – Smart Capital
- To make Wellington a great place to live, while investing in events that grow the economy and make Wellington an attractive place to work, invest in and visit
- To deliver events to encourage participation and to celebrate Wellington’s people, places and unique features.
- To offer events that are diverse (sport; arts; culture; music; food; environment).
- To coordinate events with other major events in the region and New Zealand. Wellington will connect with the region to maximise the potential of events.
- To deliver events that will showcase cosmopolitan Wellington to visiting talent/businesses.
- To build on the success of current events and attract international events to maximise potential from the international tourist market.
4. The Council’s Role

Some events, in the broadest sense, are initiated, organised, maintained and funded with no support from the Council. However, some events would be unlikely to be held, succeed or continue in Wellington without the Council’s support.

Council support comes from:
• provision of amenities (venues, sports fields)
• funding (grants, Event Development Fund, Community Events Fund, venue subsidies)
• delivery of events (Summer City) and
• facilitation, advocacy and partnerships.

The Council will continue to provide support through those channels and will increase its efforts in facilitating, partnering and advocating.

The Council has different goals and objectives for different events. Supporting arts events bolsters Wellington’s position as an arts leader. Supporting national events that attract domestic and international visitors is aligned with the Council’s Economic Development Strategy and supporting community festivals contributes to local identity, social cohesion and resilience. With this in mind the Council’s role, objectives and priorities have been considered in light of whether the event is:
• Iconic – a major event attracting at least visitors from across the country.
• Regional – an event that attracts visitors from other parts of New Zealand and/or the wider Wellington Region.
• Community – an event where the target audience is a particular community or celebrates a particular community (geographic communities or communities with a shared interest).

In the future the Council will be seen:
• As actively working with and developing the events sector for the long-term benefit of Wellington.
• Applying a broader range of tools to generate the desired outcomes, ie development of volunteer programmes.
• Having an ongoing partnership approach where we add value through sharing information, coordination, training and strategically planning ahead.
• Having a balance between the proactive development of new events and reactive support for ongoing events with a ‘can do’ approach.

To achieve its goal the Council will prioritise the directions outlined on the following pages.
