Location: Main Rd   -   Tawa

Proposal: Time-limited parking (P30, 8am-6pm, Mon-Sat)

Information: With the opening of The Borough Restaurant in late 2016, and the introduction of an outside seating area (3 car parking spaces removed) concerns were raised by the Tawa Community Board as a result of Library users finding it difficult to find parking on the Main Road adjacent to the Library.

One 2 hour survey was undertaken over the midday period leading up to Christmas and the opening of The Borough, to provide a snapshot of parking supply and demand in this area. The survey indicated that parking within a reasonable walking distance to the Library was available. However, it was considered that a P30 parking restriction for 4 spaces directly outside the Library main entrance would assist Library goers, especially those that are unable to walk a distance. A 15 minutes restriction was also considered but thought to be too short based on a small sample of library users interviewed and 30 minutes was favoured.

Main Road Tawa generally has a P60 restriction with a P15 restriction for a small number of parks across the road and north from the Library (outside the Tawa Fish shop and Drycleaners).

From recorded data related to NZ suburban shopping centres, it is noted that generally P30 and P60 is usual in shopping areas of this nature, but in the vicinity of post offices, banks and other service type locations, limits as low as 5 minutes may be used.

Officers, in consultation with the Tawa Community Board, recommend a P30 parking restriction for four spaces directly outside the Library entrance between the hours 8am-6pm, Mon-Sat. This restriction ties in with the Library opening hours.

Parking: No Loss. Change 4 spaces from P60 to P30.
