

# PLAN TO 'STOP' AND SELL UNFORMED LEGAL ROAD – CONNAUGHT TERRACE, BROOKLYN

Wellington City Council, under section 342(1) of the Local Government Act 1974, proposes to 'stop' 83 m<sup>2</sup> of legal-road land on Connaught Terrace.

The Council has determined that it no longer requires this land for public road purposes and the land is surplus to operational requirements.

The land (Section 1 SO 610469) adjoins 1B Connaught Terrace, Brooklyn (Lot 3 DP 10337, held on ROT 742999). Once the 83 m<sup>2</sup> of road land is stopped, the land titles will be amalgamated, and the combined site is intended to be sold.

Any future buildings or activities on the Land will be governed by the Wellington City Council District Plan once stopped.

You can retrieve from our website a copy of the report about this proposal as well as the survey office plan (SO 610469) defining the road to be stopped:
