e Kahu o te Raukura

Iwi leaders unite to bring message of peace from Pipitea.

The leaders of Taranaki Whānui ki Te Upoko o Te Ika and Ngā Iwi o Taranaki – with the tautoko of the Kiingitanga from Turangawaewae Marae – conducted a dawn ceremony at Pipitea Marae this morning to bring a message of peace and unity to the ongoing protest on their tupuna whenua, in central Wellington.

As ahi kaa of the whenua, the iwi says their role is to provide protection to people and the environment in their takiwā.

“This morning, we have laid down Te Kahu o Te Raukura – a cloak of aroha and peace over the Parliament grounds and our surrounding ancestral sites,” says Pipitea Chair Kura Moeahu.

“Te Raukura contains the three feathers representing honour, peace, and goodwill – the same symbol used at Parihaka.”

Te Kahu o Te Raukura will stay as a form of cultural protection over their ancestral whenua – including Parliament until the dispute is ended.

Kura says the iwi acknowledge the hurt and upset of the protestors and also the effect on local residents and businesses.

“This raruraru has gone on for too long and we urge the parties to find a way forward so we can begin the process of healing.”

Chair of Taranaki based Te Kotahitanga o Te Ātiawa Liana Poutu participated in this morning's karakia along with leadership from around Taranaki Maunga.
Ms Poutu said Ngā Iwi o Taranaki supported the calls of their Wellington-based whānau for a peaceful resolution.

"We tautoko Te Kahu o Te Raukura and the desire of our whanaunga for calm and resolution to the current situation."

Kiingitanga spokesperson Rahui Papa said the Kiingitanga unites with Taranaki Whānui and Ngā Iwi o Taranaki at this time.

"For generations we have worked together and prayed together with ngaa kiiwai o te kete. This morning we do that as an expression of deep tautoko Taranaki and all iwi of the motu to bring peace and kotahitanga."

Taranaki Whānui Chair Kara Puketapu-Dentice says iwi leaders across the motu have joined the call for a peaceful outcome.

"There has been a lot of hurt and it's time to find a way forward to unite the nation again.
"We need to look to the future when we will be able to move freely and without fear of the sickness that covid has brought.

"Until then, we need to hang tough and respect our whenua, our moana, our marae, our raukura and each other."

Paimaarire.

Subject: Student Safety Corridor
Importance: High

Mōrena koutou

Inspector [REDACTED] and myself have been meeting daily with the 5 schools and 3 Early Learning Services in the vicinity of the protest action at parliament.

Two of the High Schools have this week made the decision to go online due to concerns over student safety with behaviour of some of the protestors. Staff at Union meetings this week also expressed health and safety concerns and have withdrew from supervising the routes to and from school – prompting the move online. They are wanting to review their decision on Sunday.

There is strong interest from the collective group in establishing a unified safety corridor for students from train / bus stop to the schools.

Having a common path would enable some efficiencies with regard to co-ordinating people / resources to monitor the route. We estimate 1800+ students potential travel each day.

Police and Māori Wardens have been increasingly visible but it is believed more people are needed.

The route being suggested is:

Train Station – Thorndon Quay – Mulgrave St – (split at Aitken) – Hill St

Times suggested are 7 a.m. – 9.00 a.m. and again at 2.30 – 3.45 p.m. Monday – Friday

There is a request for more people to be stationed on this route – they are hoping other agencies / organisations will assist (WCC, MOE, Aviation Security ???) There has also been offers of parent volunteers from Wellington Girls and Thorndon School.

An additional problem is that due to bus stops being impacted – students are being dropped off down Lambton Quay (by Farmers) – which is forcing them to navigate directly through the protest site. The request if it would be possible to establish a temporary new drop off point on Thorndon Quay outside Pipitea Marae as this would help resolve this issue.

I would appreciate the opportunity to meet and discuss. There is a time pressure with those schools wanting to plan for next week to they can . Would be good to be as proactive as possible as media and Ministers office as seeking more information.

Many thanks

Folks we will return bus services to Lambton Interchange from **Sunday 6th March**. This will allow for completion of facilities cleaning on Saturday.

Presuming at this stage it will still be possible, I will confirm a successful shift to you on Sunday for reinstatement of Featherston Street and Brandon Street.

Our diversion of buses away from Molesworth Street along Bowen Street, Tinakori Road, Hawkestone Street will continue with lower Molesworth Street still blocked off.

Our Accessible Shuttle will continue operating Monday 7th and Tuesday 8th – this is a silver Toyota Hi-Ace van with blue Metlink signage. It will continue to operate in the Brandon Street/Lambton Quay area assuring any immediate reliance on it is provided.

Feel free to contact me and fingers crossed then

Cheers

Subject: Metlink Accessible Shuttle commencing 28th February

Afternoon Folks

From Monday we have a shuttle service operating from Platform 10 at Wellington Station to and from Lambton Quay, from Monday 28th Feb 7am – 5pm approximately every 20mins. This is to address the currently reduced accessibility of the link between buses and trains.

It is a Toyota Hi-Ace van with Metlink signage, and is wheelchair accessible. We have signage going up at Farmers for departures back to Wellington Station, and wayfinding plus announcements at Wellington Station.

Attached are images of signage and I will apologise in advance seeking forgiveness after the fact, but the best place at Farmers for the temporary sign is on the loading zone pole directly forward of the bus stop. We didn't want to cover over the bus timetable signage – the sign will face back towards the bus stop and it is the bus stop we are using (not the loading zone!).

I will be riding along Monday to see what works and what doesn't and we'll take it from there.

Thank you, and as always feel free to contact me.

Date: Thursday, 3 March 2022 10:32:06 am

Morning all,

Thank you to Brian for the below notes.

We will approach in two groups (parliamentary area & bus interchange). We have the all clear from police & will muster at **Bowen / LQ at 11am** to complete a condition assessment on WCC assets; will leave for the group to determine best routes.

- Lionel (Lights & furniture)
- Savvy (Signals)
- Karl (PSR)
- Richard (PSR)
- Josh (PSR)
- Deane (Cleansing)
- Jack (Roading)
- Kate (Roading)

For the interchange;

- This will be inspected early tomorrow morning due to the availability of other parties.
- Ruchir to coordinate & advise timing.

A couple of things to note:

- Please where appropriate PPE- high vis, boots etc
- Wear masks & follow COVID protocols
- Ensure that your Council ID is visible
- Identify yourselves at each police checkpoint & follow police guidance

I also understand there are pockets of ongoing disturbance & police have made some arrests- please make sure you are aware of your surroundings & **stay safe**.

Once completed please respond with action required / condition assessment update.

Any questions or issues please sing out,

Sean

Morning Kym,

I just spoke to Fulton Hogan who are in talks with their sub-contractor. The haulage company was hoping to do this at the end of the week as they are fully committed & have a driver shortage. I have asked them all to look at other options and come back to me.

Even once we do get a haulage company in it is still a large job and will take some time. This may need some expectation management upwards- I'll try to get a definite ETA and will keep you in the loop.
