Dear Mr Dunne,

RE: Skate and Scooter Park, Family and Community Block, Johnsonville

I am happy to enclose herewith the signatures I have gained in support of having a Skate and Scooter park, and suggested idea, within the "Johnsonville Family and Community Block" in Johnsonville.

My understanding is that Justin Lester will be accepting this from you on behalf of the Wellington City Council, and the Independent Herald is interested in continuing and including this item in their paper.

I would be happy to coordinate a meeting between the parties to hand over the papers, but due to different schedules I wonder whether it may be easier initially to have \_\_\_\_ set up a time between Justin and yourself? I am available almost any time that suits, and can phone Robert of the Herald if that is easier. Please just let me know what you would like me to help with.

I am very appreciative of your support for this project and I look forward to hearing from you.

Yours sincerely,

MARIA SCHRADER (Marięka)
