## **MAKARA/OHARIU COMMUNITY BOARD PLAN**

---

### **1. Purpose of report**

To propose a process for developing a Makara/Ohariu Community Board Plan for the 2013 to 2015 triennium.

### **2. Executive summary**

The purpose of the Plan is to provide the newly elected Community Board with a set of goals and actions, consistent with its role and Council's strategic priorities, to pursue over the course of its term.

It is proposed that ownership of the development and implementation of the Plan resides with the Community Board itself. In the proposed approach, officers will provide information and facilitate discussions. Officers will also compile the resulting information and prepare a draft plan, in consultation with the Chair, for approval by the Board.

### **3. Recommendations**

Officers recommend that the Makara/Ohariu Community Board:

1. *Receive the information.*
2. *Note the profile information based on 2006 Census data attached (appendices 1 and 2), and that an updated profile based on 2013 data will be presented at a later date.*
3. *Consider the proposed process for developing a Makara/Ohariu Community Board Plan 2013-15.*
4. *Agree a final process for developing the plan.*

## 4. Discussion

The following process is proposed for developing a Community Plan for the Makara/Ohariu Community Board:

<b>Activity</b>	<b>Description</b>	<b>Timing</b>
Community profile and forecast	Officers will pull together up-to-date demographic information about the Makara/Ohariu community. The information will assist the Community Board in understanding the role and function of Makara/Ohariu within the wider Wellington City, the make-up of the community, and how it will likely change.  (Initial profile based on 2006 Census data and forecast for Makara/Ohariu attached)	Once 2013 Census profile updated
Community walk/drive-about	Community Board members will go on a tour of the area to stimulate discussions, and enable members to share their views about Makara/Ohariu. If requested, Council officers could be available to provide information on topics or services of particular interest.	February 2014
Community Board workshop	Officers will facilitate a workshop for Community Board members to identify Makara/Ohariu's strengths, weaknesses, opportunities and threats (SWOT). These will then inform a process to identify issues, agree priorities and develop a potential work programme.	February 2014
Draft plan	Officers will take the information gathered at the walk-about and workshop and prepare a draft plan for consideration.  Officers will liaise with the Chair of the Makara/Ohariu Community Board before finalising the draft plan.	March 2014
Consider and adopt draft plan	The Community Board will consider the draft plan, and adopt it with any agreed changes.	March 2014

Officers are happy to discuss and advise on changes to this proposed approach at (or before) the meeting where this report will be considered.

## 5. Conclusion

Makara/Ohariu Community Board members are asked to consider and agree a process for preparing a Community Board Plan for Makara/Ohariu.
