ADVISORY GROUPS TERMS OF REFERENCE

Purpose

1. This report asks the Council to adopt the revised Terms of Reference for Advisory Groups.

Summary

2. Officers propose a combined Terms of Reference document for all five advisory groups, including the new Rainbow Communities Advisory Group.
3. The proposed Terms of Reference document has been updated to reflect the recommendations of the Advisory Group Review in 2019-2020, and the changes that officers have implemented following the Review.

Recommendation/s

That the Council:

1. Receive the information.
2. Adopt the revised Advisory Group Terms of Reference (Attachment 1), subject to the funding for the Rainbow Community Advisory Group being agreed as part of the Long-term Plan at the 30 June 2021 Council meeting.
3. Agree to review the Advisory Groups Terms of Reference before May 2022.
4. Note that careful and considerate attention will be given to ensure that the Rainbow Communities Advisory Group contains a diverse range of representatives from the rainbow community.

Background

4. The Council has four Advisory Groups (the Groups): the Accessibility Advisory Group (AAG), Environmental Reference Group (ERG), Pacific Advisory Group (PAG) and Youth Council (YC).
5. At the Council meeting of 16 December 2020, the Council agreed in principle to the establishment of a Rainbow Community Advisory Group (RCAG), subject to the allocation of funding in the 2021-2031 Long-term Plan.
6. The Terms of Reference for the RCAG should be adopted by Council prior to the group being established and member recruitment commencing.
7. Applications will be open from 28 April to 17 May 2021.

8. The Terms of Reference for the AAG, ERG, PAG and YC were most recently updated and adopted after the review of the advisory group model in December 2020.
9. Officers propose streamlining the Groups' Terms of References into one document, to align the information about the Groups, and to easily be able to see differences between the Groups.
10. This approach is used by Auckland City Council, which has one Terms of Reference document for its Disability Advisory Panel, Ethnic Peoples Advisory Panel, Pacific Peoples, Rainbow Communities Advisory Panel, Seniors Advisory Panel and Youth Advisory Panel.

Discussion

Rainbow Communities Advisory Group

11. At the Council meeting of 16 December 2020, the Council agreed in principle to the establishment of a Rainbow Community Advisory Group (RCAG), subject to the allocation of funding in the 2021-2031 Long-term Plan.
12. Officers developed a draft Terms of Reference for the group as part of the proposed combined advisory group Terms of Reference.
13. Members of the rainbow community were invited to discuss the draft Terms of Reference at a hui on 7 April 2021.
14. The key issue for those we spoke to was ensuring diversity and intersectionality in RCAG membership.
15. There was a suggestion that the Terms of Reference specifically include provisions for a number of members to come from defined parts of the wider rainbow community.
16. Although officers acknowledge the concerns of the community in this area, we believe that the best way to address them is through an effective recruitment process that seeks to engage with all parts of the community. A diverse group can be formed by ensuring that applications are received from a wide range of the rainbow community.
17. Careful and considerate attention will be given to ensure that the group contains a diverse range of representatives from the rainbow community.

Combined Advisory Group Terms of Reference

18. The current Terms of Reference for each Group are substantially the same, with minor differences between each Group. Any substantive differences between the current terms of reference have been retained in the proposed combined Terms of Reference.
19. The major substantive differences are:
 - The Groups' purpose – although each of the Groups' purposes are similar there are slight differences, notably the Youth Council's purpose to develop members. Each Group's purpose has been separated out in the combined Terms of Reference.
 - Criteria for membership – all the Advisory Groups have the requirement that members live in the boundaries of Wellington City at the time of selection, and that

- members have the ability to work with others and work in a team. Each of the Groups have other specific membership requirements. These membership requirements have been listed separately in the combined Terms of Reference.
- Training for members – The Youth Council Terms of Reference refers to additional roles being offered to high-performing Youth Council members, in light of their additional purpose to develop members. This has been carried over to the combined Terms of Reference.
 - Group size and meeting frequency – Most advisory groups meet monthly for two hours and members are paid \$110 (Chairs are paid \$150) per meeting. Youth Council meets fortnightly for one and a half hours, members are paid \$55 (Chair is paid \$75) per meeting. Additionally, AAG, ERG and RCAG have 12 members, PAG has 17 members, and Youth Council has 20 members.
 - Role descriptions – some minor differences exist in the role descriptions for Chairs, Deputy Chairs, and members between the groups. These differences have been carried across to the new combined Terms of Reference.
20. Officers have been working to implement the changes recommended by the Advisory Group Review in 2019-2020. Several additional changes to the Terms of Reference are recommended to be made in order to give effect to the recommendations (Attachment 2):
- Added a 'Liaison Executive Leadership Team member' role description to Appendix A: Role Descriptions giving effect to recommendations 6 and 9 of the review.
 - The responsibility to liaise with Council officers to ensure that feedback is provided to the group on advice that the group has given has been added to the list of responsibilities of the liaison officers, giving effect to recommendation 7 of the review.
 - Support funds to enable members with particular barriers to participation to fully participate in Advisory Group meetings have been expanded from just applying to AAG to being available to all advisory group members on a case-by-case basis. This could include reimbursement for travel expenses or payment for a support person if required. This gives effect to recommendation 8 of the review.
 - Appendix D: Process for Conducting Advisory Group Leadership Elections has been added to the Terms of Reference. This (along with Appendix C: Recruitment and Selection Process which was already added) will give effect to recommendation 11 of the review. This process was built off the established Youth Council process for election of a Chair and Deputy Chair, or Co-Chairs.

Options

21. Option one – status quo: Officers do not recommend this option. This would involve the RCAG information being separated out of the combined document and adopted as its own Terms of Reference, following the same formatting as the current advisory group terms of reference documents. Each individual Terms of Reference document would need to be updated and adopted by Council.
22. Option two – adopt the proposed combined Terms of Reference. This is officers' recommended option.

Next Actions

23. Officers will publish the Terms of Reference document and begin recruitment for the all advisory groups, including RCAG.

SUPPORTING INFORMATION

Climate Change impact and considerations

Communications Plan

Advisory Groups members have been engaged prior to publication of this report, and have been advised of its publication and consideration at the 28 April 2021 Council meeting.

Appendix B: Code of Conduct

1. Objective

The objective of the code is to enhance:

- mutual trust, respect and tolerance between members as a group and with Councillors and Council staff
- the credibility and accountability of the Council within its communities.

The following is the standard of behaviour that is expected from members of Wellington City Council reference and advisory groups.

2. Relationships with others

Members will conduct their dealings with each other, and elected members, in ways that:

- are open, honest and maintain integrity.
- focus on issues rather than personalities.
- avoid aggressive, offensive and abusive conduct.
- maintain confidence in their group.

3. Relationships with Council staff

The effective performance of the group also requires a high level of cooperation and mutual respect between members and Council staff. To ensure this is maintained, members will:

- treat all employees with courtesy and respect (including the avoidance of aggressive, offensive or abusive conduct towards employees).
- observe any guidelines that the Chief Executive puts in place regarding contact with employees.
- not do anything which compromises, or could be seen as compromising, the impartiality of an employee.
- avoid publicly criticising any employee in any way, but especially in ways that reflect on the competence and integrity of the employee.
- raise concerns about employees only with the Chair of the group, who will then decide whether to raise the issue with an appropriate senior Council officer.
- not seek to improperly influence staff in the normal undertaking of their duties.

4. Contact with the media.

Groups may have the opportunity to input into a number of different initiatives and for consistency, it is important that a single point of contact is established to respond to any media enquiries.

- All media enquiries shall be redirected to Council staff.

- If it is agreed with Council staff that it is appropriate for a view to be expressed by the group, only the Chair, or the Chair's proxy, can represent the group to the media. The Chair will work with the Council's Communication and Engagement team in relation to any public comments.
- Views expressed to the media on behalf of the group must have been previously agreed on by the group as a whole.
- If a member is contacted by a journalist for a view from their group, they must refer the journalist to Council Staff.
- Members are free to express a personal view in the media or the view of other organisations of which they are a member, at any time. However, they must make clear that these represent their private views as an individual, or the view of their organisation.

5. Confidential Information

In the course of their duties members will receive information that they need to treat as confidential. This will often be information that is either commercially sensitive or is personal to a particular individual or organisation.

Members should be aware that failure to observe confidentiality will impede the performance of Council and could expose the Council to prosecution under the Privacy Act 1993 and/or civil litigation.

Council staff will ensure that advisory group members are aware which information is confidential.

6. Individual queries

Members will not bring individual issues to their advisory groups that can best be dealt with by going through the Council's Service Centre.

7. Honesty and Integrity

Members have a duty to act honestly. They must declare any private interests relating to their duties and take steps to resolve any conflicts of interest in such a way that protects the public interest. They must not act in order to gain financial or other benefits for themselves, their families, friends or business interests.

8. Complaints

Any complaints about other group members, officers or Councillors should be addressed confidentially to the Chair who can then raise the issue with relevant Council officers.

Appendix C: Recruitment and Selection Process

Wellington City Council will call for expressions of interest from qualified residents from within the city's boundaries via a number of different media. Residents interested in being an advisory group member will complete an application.

Annual Intake

After having called for expressions of interest and a given application period, the advisory groups Chairs can shortlist applicants for interviewing. Interviews will be conducted based upon a shortlist of applicants, who will be interviewed by the advisory group Chair and Deputy Chair or Co-chairs, and the Council Liaison officers.

Replacement of Vacancies

Vacancies will be recruited for annually for all advisory groups.

Additional election in the case of a vacancy

59. If a vacancy arises in the position of chair, deputy chair, or co-chair, then an additional election will be held to fill the vacancy as soon as practicable.
60. If the vacancy arises close to the time of a regular leadership election, then the advisory group may agree to wait until the regular leadership election to fill the vacancy. The group may also agree to hold the regular leadership election early to fill the vacancy.
61. If only one position is vacant then the election will use the current leadership model. If both positions are vacant, then there will be a vote on the leadership model the same as in a regular election.
62. An additional leadership election will use the same process as a regular leadership election.
63. In the case of an additional election to fill a vacancy in the chair or deputy chair position, the remaining incumbent may run for the vacancy. If they are successful, then another election will be held for the position they previously held.
64. The term of a chair, deputy chair, or co-chair will end at the next regular leadership election.

Gambling Venues Policy 2021

1. INTRODUCTION

The Gambling Act 2003 (the Act) came into effect on 18 September 2003 and requires territorial local authorities to have in place a policy that:

- specifies whether or not class 4 venues (non-casino gaming machine venues, NCGMs) may be established in its district and, if so, where they may be located
- may specify any restrictions on the maximum number of gaming machines that may be operated at any class 4 venue (the Gambling Act 2003 establishes maximum limits of either 18 machines or 9 machines on gaming machines venues, depending on whether the venue was established before or after October 2001).

The Racing Industry Act 2020 requires territorial authorities to adopt a policy on TAB venues.³ The TAB policy must:

- specify whether or not TAB Venues may be established in the district and, if so, where they may be located.

In adopting both a class 4 venues policy and a TAB venues policy, the Council must have regard to the social impacts of gambling in its district.

2. OBJECTIVES OF THE GAMBLING VENUES POLICY

The objectives of the Gambling Act 2003 are, amongst other things, to control the growth of gambling and prevent and minimise the harm caused by gambling, including problem gambling. Beyond the objectives stated in the Act, the objectives of Wellington City Council's Gambling Venues Policy are to:

- manage the risk of gambling harm created by non-casino gaming machines (NCGMs) and TAB gambling to the extent that this can be reasonably done through a gambling venues policy
- ensure that, within the limits prescribed by the Gambling Act 2003 and Racing Industry Act 2020 people who wish to participate in NCGM and TAB gambling can do so within the Wellington District.

3. GENERAL PROVISIONS FOR CLASS 4 VENUES

A society requires the Council's consent in respect of a class 4 (NCGM) venue:

- to increase the number of gaming machines that may be operated at such a venue

³ The Racing Industry Act 2020 specifies that a "TAB venue" means the premises that are owned or leased by TAB NZ and where the main business carried on at the premises is providing racing betting or sports betting services. Historically, these venues were referred to as Totalisator Agency Board (TAB) venues.

- to operate gaming machines at a venue that was not on any society's licence within the previous 6 months
- to operate gaming machines at a venue for which a licence was not held on 17 October 2001
- to relocate a venue to which a class 4 venue licence currently applies.

An applicant for Council consent under this policy must:

- meet the application conditions specified in this policy
- meet the fee requirements specified in this policy.

4. WHERE CLASS 4 VENUES MAY BE ESTABLISHED

No new Class 4 venues will be allowed under the Council's Sinking Lid Policy. This means that when an existing venue closes, the Council will not give consent for another to be established.

5. WHERE TAB VENUES MAY BE ESTABLISHED

TAB NZ requires the consent of the Council if it proposes to establish a TAB venue. For the avoidance of doubt, this policy only applies to applications for the establishment of stand-alone TAB venues. These are venues in premises that are owned or leased by the TAB, where the main business is providing racing and/or sports betting services. The policy does not cover the installation of TAB terminals in premises not owned or leased by the Board (for example hotels, bars and clubs).

TAB venues may be established anywhere in the Wellington District, subject to the provisions of the Wellington City District Plan and meeting application and fee requirements.

6. APPLICATIONS AND FEES FOR CONSENTS

All applications for consents must be made on the approved form. All applications will incur a fee, to be known as the Gaming/Gambling Venue Consent Fee, which is prescribed by the Council pursuant to section 150 of the Local Government Act 2002.

Fees will be charged for consideration of applications, at the rate of \$90 per hour (GST inclusive). A deposit may be required.

7. DECISION MAKING

The Council has 30 working days in which to determine a consent application.

That decision will be made at officer level pursuant to delegated authority and be based on the criteria detailed in this policy.

In the case of an application relating to a class 4 venue the assessment of the number of gaming machines in the Wellington district will be based on Department of Internal Affairs' official records.

8. APPEALS

Applicants have the right to request a review of the decision by Council officers if it is believed that an error of fact or process has been made.

9. MONITORING AND REVIEW

The Council will complete a review of the policy within three years of its adoption, in accordance with the special consultative procedure outlined in the Local Government Act 2002. Subsequent reviews will take place on a three-yearly cycle, as required by the Gambling Act 2003 and Racing Industry Act 2020.

10.COMMENCEMENT OF POLICY

The policy will take effect from the time the Council resolves to adopt it. The 2015 Gambling Venues Policy is revoked on the adoption of this policy. All applications for territorial local authority (Council) consent will be considered under the policy in place at the time the application is received.

11.EXPLANATION OF TERMS

Class 4 venue - The Gambling Act 2003 categorises gambling activities according to their intensity and potential for harm. Class 4 gambling (non-casino gaming machines) is the highest-risk form outside of a casino. Racing and sports betting, which are covered by the Racing Industry Act 2020, do not fall within this classification system

Society – is a Corporate Society as defined under the Gambling Act 2003. It is a not-for-profit organisation that may undertake class 4 gambling Gaming machine – Refers to class 4 non-casino gaming machine

TAB venue - The Racing Industry Act 2020 specifies that a TAB venue means the premises that are owned or leased by TAB NZ and where the main business carried out at the premises is providing racing betting or sports betting services.
