Trade competition and adverse effects (select appropriate)

I could / could not gain an advantage in trade competition through this submission.

I am / am not directly affected by an effect of the subject matter of the submission that:

- (a) adversely effects the environment, and
- (b) does not relate to the trade competition or the effects of trade competitions.

Delete entire paragraph if you could not gain an advantage in trade competition through this submission.

The specific provisions of proposed District Plan Change 80 that my submission relates are as follows (Please continue on separate sheet(s) if necessary.)

The proposal to rezone the lower part of the Bolton Street Cemetery from Open Space A to Open Space B.

Please note that this area is now known officially as the Bolton Street Cemetery, not the Bolton Street Memorial Park, also the rezoning refers only to the lower part of the cemetery as the upper part is already zoned Open Space B.

My submission is that

(You should include whether you support or oppose the specific provisions or wish to have them amended. You should also state the reasons for your views. Please continue on separate sheet(s) if necessary.)

This submission is on behalf of the Friends of the Bolton Street Cemetery.

We strongly support the rezoning of the lower part of the Bolton Street Cemetery from Open Space A to Open Space B as this will realign it with the upper part of the Cemetery which is already zoned B and also will be a more appropriate zoning as it is an historic cemetery within the Botanic Gardens.

We seek the following decision from the Council *(Please give precise detail.)*

That the lower part of the Bolton Street Cemetery be rezoned from Open Space A to Open Space B.
