The specific provisions of proposed District Plan Change 82 that my submission relates are as follows

District Plan Change 82

Zone change for 16 Terrace Gardens (Fagstaff Hill Park) from Inner City Residential to Open Space A

My submission is that (You should include whether you support or oppose the specific provisions or wish to have them amended. You should also state the reasons for your views.)

The Fagstaff Hill Area Residents' Association strongly supports the proposed change of zoning for Fagstaff Hill Park. Wellington City Council has maintained this area as a public park since 1972, and finally purchased it in 2015. The change of zoning will carry its status, and encourage further development and promotion to assist greater utilisation of this historic inner city sanctuary.

I seek the following decision from the Council (Please give precise details.)

The Fagstaff Hill Area Residents' Association requests Wellington City Councilors to approve the proposed change in zoning of 16 Terrace Gardens (Fagstaff Hill Park) from Inner City Residential to Open Space A.
