# PROPOSED DISTRICT PLAN CHANGE 50 – Aro Valley Boundary Adjustments and Pre-1930's Demolition Rule

## WELLINGTON CITY DISTRICT PLAN

Clause 5 of First Schedule, Resource Management Act 1991

The suburb of Aro Valley has a distinct local character derived from the retention of a high proportion of houses dating from the late 19<sup>th</sup> and early 20<sup>th</sup> centuries. In recognition of this character, District Plan Change 50 proposes to make the removal or demolition of pre-1930's buildings a Discretionary Activity (Restricted). The rule will apply to parts of Aro Valley zoned Inner Residential and within the Appendix 9 boundary (as proposed to be amended). An additional provision relating to the removal or demolition of the 'primary elevation(s)' of pre-1930 buildings is also proposed to be included.

District Plan Change 50 also proposes to make the following adjustments to the rules, residential appendices boundaries and the design guide that apply to the Aro Valley Area:

- Remove Aro Valley from Appendix 8. Appendix 8 is an area where Rule 5.2.4 applies (two units a Controlled Activity) therefore removing the duplication of rules applying to the construction of two household units.
- Remove Upper Durham St and the Council housing area to the east of Ohiro Rd (bottom of Brooklyn Hill) from Appendix 10. Appendix 10 is an area where the more stringent building height, site coverage and sunlight access planes apply to a single household unit.
- Amend the boundaries of existing Appendix 9 (Aro Valley) to include additional peripheral areas that contribute to the overall character of Aro Valley. Appendix 9 is an area in which Rule 5.3.10 (the construction of two units requires resource consent for a restricted discretionary activity) applies. These areas include Upper Durham St; parts of Mortimer Tce; Adams Tce; Landcross St; Palmer St/Abel Smith St/Johns St; Ohiro Rd/Brooklyn Rd.
- Amend the Multi-Unit Design Guide and the associated Aro Valley Design Guide to include descriptions and references to the peripheral areas now included in Appendix 9.
- Add an additional matter to which Council has retained its discretion within Rule 5.3.10 to state: *"bulk and massing of buildings on site (in Aro Valley)"*
