Minute 34

IPI Timetabling

1. The Hearing Schedule the Panel have been working to was premised on Council's IPI decisions being released not later than 20 November 2023.
2. However, as hearings have proceeded, it has become increasingly apparent to the Hearing Panel that it will not be possible for this deadline to be met.
3. After consultation with the Hearing Panel, the Council applied to extend the deadline for release of its IPI decisions. The Minister for the Environment has confirmed grant of that application, with the revised deadline for release of IPI decisions now 20 March 2024.
4. To enable the Hearing Panel to play its part in ensuring that this revised deadline is met, the hearings for Streams 6 and 7 will be deferred until the New Year with the Stream 6 hearing now commencing on 20 February and Stream 7 commencing on 19 March. Subsequent hearings will in turn be pushed back in time correspondingly.
5. We will make directions for all of the steps necessary to enable hearings to proceed on this basis in due course.
